

## Private Dining Upstairs

The upstairs dining room at the Seasalt is a very exclusive and private area which is great for small parties, wakes, business launches and business meetings.

With scenic views across Clovelly Bay, Coogee and Bundock Park, it is available for breakfast, lunch and business activities on Wednesday to Sunday during the daytime only.

Ample free parking is available at Clovelly car park and the city buses route 339 and X39 stop right out the front of the cafe.

We can design a menu package to suit the occasion. Please contact us for more information
